## Costs and service information on remortgages

We set out below our legal fees and the estimated expenses involved in remortgaging a residential property. However, please do contact us so we can discuss our service offering with you.

Our fees below are for mortgage work if we are instructed by your lender and the mortgage terms and security requirements are no more onerous than a standard legal charge over the property.

If your mortgage is more complex than a single legal charge our fees will be higher and we will be pleased to discuss what is involved and to agree a fixed fee.
