Our Fees

These costs apply where your claim is in relation to a single unpaid invoice which is not disputed and enforcement action is not needed.

If the other party disputes your claim at any point, or enforcement becomes necessary, we will discuss any further work required and provide you with revised advice about costs if necessary, which could be on a fixed fee (e.g. if a one-off letter is required), or an hourly rate if more extensive work is needed.

See the table below setting out our fees for undefended court claims. Please note that a court fee will apply where proceedings are required to be issued at court to recover the debt.

Debt Value	Court fee	Our Fee	Total
Up to £5,000	Up to £205	Up to £1,200 (Plus VAT)	Up to £1,645 (Plus VAT)
£5,001 - £10,000	Up to £455	Up to £2,100 (Plus VAT)	Up to £2,975 (Plus VAT)
£10,001 - £50,000	5% value of the claim	Up to £3,000 (Plus VAT)	£TBA
£50,001 - £100,000	5% value of the claim	Up to £1,200 (Plus VAT)	£TBA
£100,001 - £200,000	5% value of the claim	Please contact us	£TBA
£200,000 +	£10,000	Please contact us	£TBA

Kindly note that the above relates to the recovery of debts. If you are the recipient of a debt demand we can also assist and recommend you contact us.

Our fee includes:

- ✓ Taking your instructions and reviewing documentation
- ✓ Sending a letter before action
- ✓ Receiving payment and sending on to you, or if the debt is not paid, drafting and issuing a court claim
- ✓ Where no Acknowledgment of Service or Defence is received, applying to the court to enter Judgment in Default
- ✓ When Default Judgment is received, writing to the other side to request payment
- ✓ If payment is not received within a reasonable time, providing you with advice on next steps and likely costs

Please note that:

Recovering VAT

The VAT element of our fee may not be recoverable from the debtor

Fee Banding

Interest and late payment compensation may take the debt into a higher banding, with a higher cost

Enforcement Actions

The costs quoted on page 1 are not for matters where enforcement action, such as bailiffs, is needed to collect your debt

Discounted Fees

For regular clients, or where we are instructed on a number of matters, reduced fees may apply

Understanding Debt Recovery

Recovery of costs:

Wherever possible we seek to recover the costs of our instruction from the debtor, but repayment from a third party cannot be guaranteed and, should proceedings be necessary, the Courts tend to have a wide discretion on the issue of costs/expenses.

How long will it take?

Whilst many cases are unique, in our experience any swift payment or agreement to pay is likely to be obtained within 2-8 weeks. In other cases, much depends on the precise circumstances and whether or not formal litigation is required.

Our Team

Our team operates within our Litigation and Dispute Resolution department which has significant experience in delivering high quality work in all matters relating to commercial litigation, including commercial debt recovery.
